

# Beautiful Tile Mural Fundraisers For Your School / Organization

**MAKE A TIMELESS WORK OF  
ART AND A 50% PROFIT!**

- I specialize in themed Tile Murals for your school.
- I train your staff and students how to properly paint the tiles with ceramic glazes, pick them up after the painting is completed, fire them in my ceramic kilns, and then install a lasting mural at any site you choose.
- Murals are installed by a knowledgeable ceramic artist & muralist with over 16 years experience.
- We can also custom paint your school name, logo, or mascot to be incorporated within the mural

**Perfect way to highlight special school programs!**
